

Make a statement with this funky new product, stand out from the crowd and really capture the attention of your audience as they pass by! Our **Backpack Banners** are a highly effective way to mobilize your brand or promotion where it counts. This wearable branding pack is lightweight and comfortable, easy to assemble and the full colour graphic panels can be changed on-site in seconds. There are three shapes to choose from namely: TELESCOPIC, SHARKFIN or UMBRELLA, all unique in their own right, it's a personal decision which shape works best for your brand.
