

Our Custom Branded Pouf's are printed in full colour and are perfect for brand awareness. The custom dye sublimated printed outers are fully washable. All Pouf's come with banner mesh separate inners filled with a mixture of Chip Foam resulting in an ultra-soft and comfy seating experience! Branded furniture is a simple and effective way of getting your message out in the open. The bottom, sides and top can have different creatives at no additional cost.

The branded covers can be washed and re-used over and over giving this product an excellent lifespan and can be used across multiple campaigns providing an exceptional advertising yield. Our Custom Branded Pouf's are available in two sizes namely Large and Medium. Custom sizes available on request. Please note that due to the volumetric size once filled Poufs will not be available on Free Delivery for areas further than 75km from our factory in Midrand
